

Cover-Letter & Resume-Writing Workshop for Philosophy Students

Would you like to learn how to write cover letters and
resumes that will make a good first impression on
employers?

Would you like to know how to market
your experiences and skills?

Have you ever asked yourself the question, “How am I going
to get a job with a philosophy degree?”

If you said YES to any of the above, then check out the virtual
cover-letter and resume-writing workshop brought to you by
SuccessWorks.

It's designed specifically with philosophers in mind.
